As we write to you during a time of public health and racial justice challenges, we want to assure you that the HOW community remains strong. Building on decades of growth, this report recognizes the achievements of 2019 and the work of a completely new team of staff members whose success was possible thanks to the support of the entire HOW community. **In 2019, your donations of time, talent and treasure contributed to a 37% increase in total services over the prior year.** We extended our outreach to more women in each of the four Outer Cape towns, providing a **47% increase in the total number of rides** to healthcare or related social support appointments.

Our success navigating the challenges of organizational transition in 2019 prepared us for the challenges of 2020. We remain confident in our ability to adapt and deliver on our mission to serve women living with chronic and life-threatening illnesses on the Outer Cape.
WE’RE ON A MISSION

Helping Our Women improves access to healthcare for women living with chronic or life threatening health conditions in the Outer Cape towns of Eastham, Wellfleet, Truro, and Provincetown. We maintain an open-door policy to provide education and referrals to all community members.
We increased programming with grant funding from Cape & Islands United Way to provide two 8-week mindfulness training programs, and Seamen's Bank sponsored a two-part Money Matters program on financial well-being.

All services increased by 37% in 2019, including our stipend program for low-income women that is designed to off-set the financial burden of living with a chronic health condition.

We ended the year with a holiday gift bag program! Volunteers gathered to create care packages for HOW's 230+ members who receive services.

**Transportation**

Boston Cancer Support provided additional funding for rides to support groups and treatment for cancer patients. Volunteers, local transit authority programs, and Cape Air passes continued as primary sources of transportation options for HOW members.

**Wellness & Well-Being**

We increased programming with grant funding from Cape & Islands United Way to provide two 8-week mindfulness training programs, and Seamen's Bank sponsored a two-part Money Matters program on financial well-being.

**Food & Personal Products Pantry**

Food drives, donations and partnering with other pantries supported the on-going growth of these popular programs. At year end, we received approval to create an Americorps/VISTA position for our food program.
The oncologists at Beth Israel Deaconess were great, but I had so many questions. I really needed to talk to someone who was going through this experience too...getting the support group together was a struggle in the beginning. Helping Our Women has been a big help in getting the word out about our group and providing rides to our meetings. In our group, we talk, laugh, and cry together—we have created a welcoming environment by encouraging, comforting, learning from, and supporting each other.

Stay Strong Women’s Cancer Support Group celebrated its 1-year anniversary in 2019 and continues meeting during the pandemic.

"The oncologists at Beth Israel Deaconess were great, but I had so many questions. I really needed to talk to someone who was going through this experience too...getting the support group together was a struggle in the beginning. Helping Our Women has been a big help in getting the word out about our group and providing rides to our meetings. In our group, we talk, laugh, and cry together—we have created a welcoming environment by encouraging, comforting, learning from, and supporting each other."

Our Volunteers

Every hour counts!
And makes life a little easier for women living with chronic illness on the Outer Cape.

76 volunteers
contributed to our success by helping in the office, food pantry, driving, running errands, sharing a special skill, or serving on the Board.

861 hours
of volunteer time to support our mission.
